Charlestown High School

The challenges of today are even greater than the challenges of yesterday, yet you remain focused and push on. You have faced difficult circumstances and you have survived. Each of these obstacles you have overcome has made you stronger than ever.

Remember a couple of the basic principles mentioned everyday at Charlestown High School: Be purposeful and be productive. Takes these words and apply them in your real life situations. You will be amazed at how powerful these words can be when put into action.

On behalf of the Charlestown High School faculty and staff, I wish to congratulate the graduating senior class of 2014. Graduation from high school is not the end of your education, but the beginning of your journey into a world of new possibilities. Let this be your springboard to greatness in whatever field you choose.

Our Lady Townies made an early statement this year, starting off the season 4-0. As we remained humble and hungry our Lady Townies fought hard and stunned many supporters when they won the 1st round in the state tournament. Facing the #1 seed during our 2nd round was not an easy fight but, our ladies managed to leave it all on the court. Although, victory wasn't the outcome, that day in particular we build something special ; we call it FAMILY.

This years football team was filled with talent at every position, while also being a team filled with underclassmen. Led by captains DJ Dunn, Ibrahima Diallo, and Brandon Scott, the townies stayed in a lot of games this year after going 0-10 the year before. This years record was 3-7, and most of the team will be returning for another year to chase a winning record and once again be one of the better teams in the city league.

This season, the Charlestown Cheerleaders showed all the other local squads what it really means to dance and cheer with fun routines to Robin Thicke's, "Blurred Lines" and Miley Cyrus's, "We Can't Stop!" The squad really set the tone with their fabulously fun "Hippy Gaga" which was just one of many highlights of the season! Our season was capped off by raising enough funds & donations to toss aside the 90's pleated skirts for brand new competition uniforms and bags just in time to show off their meticulously crafted Beyonce Mash-Up routine at the epic Eastie halftime.

GIRLS' SOCCER

The CTown soccer program is looking to improve from the 2013 season. With All-Star captain Janiel Gordon leading the way, we hope our returning players and the new recruits will work hard to perform well in the classroom and have fun on the soccer field.

The record that accompanies the 2013 CHS boys varsity soccer season does not tell the whole story. Lead by team captains Mahamed Abdirahman, Ahmed Ibrahim and Hung Huynh, All-star Guillermo Salinas and Goal scorers Kevin and Steven Chen the team showed great intensity, honor and spirit. The true story is one of courage and commitment to keep up the fight. These boys represent the best Charlestown has to offer. "C-town on 3, Family on 6...."

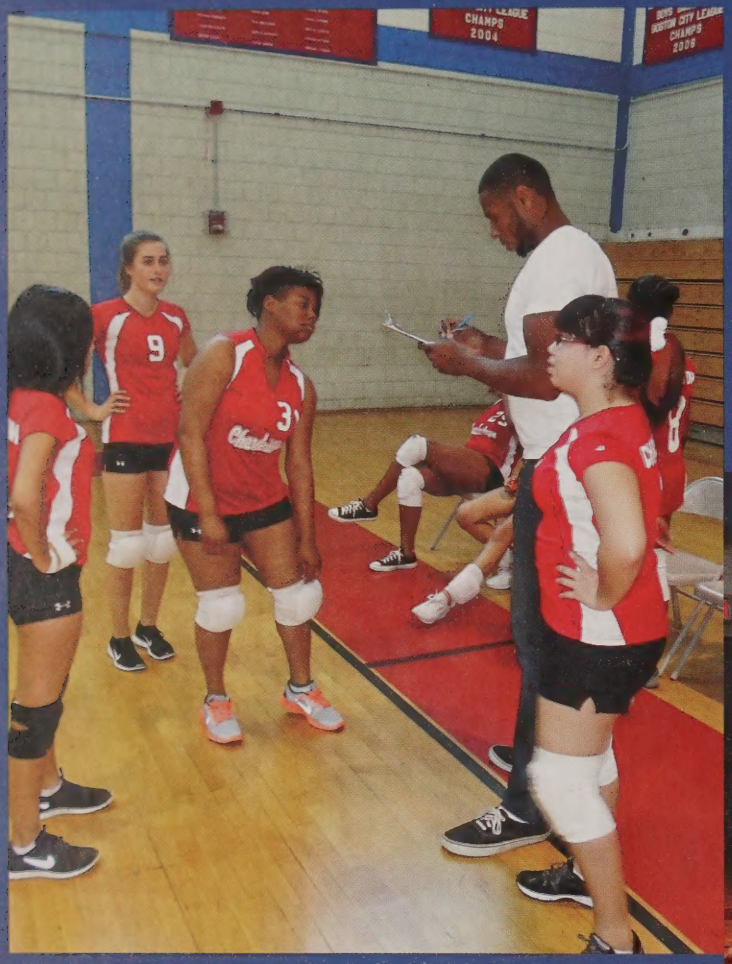
VOLLEYBALL



With the Charlestown Girls Volleyball team graduating 9 seniors last year The Lady Townies only had 4 returning players this season. With the team being young and inexperienced the 4 returners stepped up with leadership and instilled a mindset to the younger players that they are going to work hard, compete and most importantly have fun. Not only as the season progressed they worked hard on the court but they worked just as hard in the classroom finishing with a team cumulative GPA of 2.87. The 2013-2014 Charlestown Girls Volleyball Team finished the season 8-9 one game shy of a state tournament berth but with this young group the future is bright for C-Town Girls Volleyball

DEBATE moments to never forget

The 2013-2014 Charlestown High School Debate Team, led by captains Khudeja Begum and Princess Mansaray, was the largest debate team in CTown history. With almost 50 students attending 3 tournaments, and 100 students attending at least 1 tournament, CTown debate won three Tournament Championships throughout the year. This year's squad had students compete in all 6 divisions, including a brand new Spanish Division. CTown debate consistently took home top speaker trophies and Championships at every tournament, and was a force to be reckoned with. Go CTown Debate!

EURO TRIP

Since 2006 the Charlestown High School EuroTrip Club, which is open to all graduating seniors, has planned and raised funds for an annual trip to Europe. The club began its fundraising efforts in late September with bake sales and continued throughout the winter and spring. Some of the other fundraisers this year included Halloween Ghost Grams, Valentine's Day flower sales, holiday gift wrapping at the Prudential Mall, direct mailing, button sales, and the annual silent auction and karaoke night. As a result of all their hard work and dedication, as well as the incredibly generous donations of the CHS staff and community, this year's group enjoyed a week-long trip to Paris, France and gained a true appreciation for and understanding of international travel.

Dear Class of 2014. What a year it has been! I am so proud to have spent the last 2 years with you all. I've seen so much personal growth and want to say congratulations to having made it this far. I want to give a huge shout out to the seniors who have been a part of the Zone. You guys may have driven me "pollo loca" sometimes but you have also given me a handful of amazing experiences and memories. I won't forget the laughs from the dance offs, the rap cyphers, or the oh so famous B-S-A, B-S-A song. Thanks to all those who helped clean the Zone for scholar dollars, left for class when I said "la hora para clase", didn't eat fried ANYTHING in the Zone, warmed up my lunch, stopped singing CCCCCC-Town at games (and coming up with new chants) or went and did anything for me. Even larger thanks to all of you who have gotten to the point in which I knew you all could get to, crossing the stage. I wish nothing but success for you and never forget #MissBbeLike "take your time!"
